2009 Senior Biography Instructions

(Deadline to Return: April 13th, 2009)

Dear Seniors,

You belong to a unique senior class. On June 6, 2009 you are coming together with fellow students who you may or may not know. As each student receives their diploma a short biography will be read. This tradition helps to give the audience, and your fellow classmates, a chance to get to know a little about you.

You are asked to limit your biography to 100 words or less. You may submit your biographies using one of three ways:

1. Type and e-mail me your biography (this is the most preferred way)
2. Use the print form on the reverse side of this page and return by mail
3. Type and return your biography by mail

This is an opportunity for you to practice those writing skills your parents have helped you to hone for the past twelve years. You should focus on the most important details and activities that you want spotlighted. You are each unique and have talents, goals, and interests that we would like to share with the audience as you receive recognition for the accomplishment of graduating high school; do not think that you have nothing of interest to write. So, get out that paper, sharpen your pencil (or limber up those fingers) and begin writing!
