

Dear Prospective Teacher,

Thank you for downloading this information regarding Family Academy's teacher consultant training program. Included in this packet (or download if accessing via the web site) the following information:

- Inquiring Teacher Pre-Orientation Survey
- How Family Academy Works
- Potential Income Projections
- Family Academy History
- Family Academy organizational chart

Please look over all materials. The Initial Orientation is foundational and mandatory for all Family Academy teacher consultants and the fee is \$175. The High School Orientation is mandatory to work with grades 9-12 and there is an additional fee of \$175. Teachers wishing to take both portions of the orientation on the same day can receive a \$40 discount and only pay \$310. Several manual and other resources are included with each level of training. There are no other charges for training to affiliate with Family Academy.

You will note that though we are very proud of our program, we deliberately do not do a "hard sale." Family Academy teachers must be self-starters with specific unique qualities. If you would like to participate in the next Teacher Orientation, return the following:

- Completed *Request for Initial Orientation* form
- Inquiring Teacher Pre-Orientation Survey
- Copy of teaching certificate
- Resume with requested references
- A letter of recommendations from your pastor on church letterhead
- Your personal statement of faith (either bullet list or narrative)
- An application fee of \$45 (non-refundable)
- Materials deposit of \$30 (if only doing initial Orientation) or \$60 if doing both (this applies towards your Orientation fee).

Send these materials and fees to: *Family Academy P.O. Box 2451, Redmond, WA 98073-2451. Make payment payable to Family Academy This also may be paid by credit card by calling Barbara at our toll free phone number: 800-877-4586.*

When your completed packet, application fee, and deposit payment arrives, you will be contacted to confirm the information, directions, and supplies needed for the class. You will be sent our *Teacher Consultant Manual*, (chapters 1-4), our *Family Handbook*, and if taking the high school orientation, a copy of *Homeschooling the High Schooler*. You will need to read through these materials prior to attending the orientation session. Your materials deposit will be refunded if we decide prior to your training session that you would not be able to work in our program. If your application is accepted, the balance of the orientation fees will be due the day of the orientation.

If you have any questions, you may contact me at (206) 246-9227.
